28 29 30 31	This amendment amends the bill by removing the flavors of menthol, mint and wintergreen from the list of flavors prohibited in the bill. It makes the definition of "electronic smoking device" in the bill consistent with the definition of "electronic smoking device" in the Maine Revised Statutes, Title 22.

It is an exception to this provision if the person provides a tobacco product to a minor in a home in the presence of the minor's parent, guardian or custodian. This provision does not apply to a licensee under the Maine Revised Statutes, Title 22, chapter 262-A or agents of that licensee in the scope of employment. Current law
