That the State Controller transfer \$6,700 from the Personal Services line category in account 010-01A-Z233-52, Forest Resource Management, to the Personal Services line category in account 010-01A-Z821-14, Natural Areas; and

Be it ordered,
that the State Controller increase allotment in account 010-01A-Z821-14, Natural Areas, by \$6,700 in the Personal Services line category and decrease the allotment in account 010-01A-Z233-52, Forest Resource Management, by \$6,700 in the Personal Services line category for the purpose of meeting projected payroll costs; and,

Be it further ordered,
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2018", for which this shall be our sufficient warrant.

Statement of Fact

This financial order transfers allotment from the All Other line category to the Personal Services line category in the Education in the Unorganized Territory account to address a shortfall resulting from greater than anticipated work effort attributable to federal grants that support Education in the Unorganized Territory. Additional work effort was required due to an increase in special education student enrollment for unorganized territory students with Individualized Education Programs (IEP) who require one-to-one teacher aide support, which resulted in the Education in the Unorganized Territory dedicating additional staff time to activities covered by existing federal grant awards. These funds are no longer required in the All Other line category for the purpose for which they were originally intended due to lower than anticipated contracted services expenditures.

That the State Controller transfer \$500 from the Capital Expenditures line category in account 012-16A-0546-01, Traffic Safety Division, to the Capital Expenditures line category in account 012-16A-0329-01, Motor Vehicle Inspection; and,

Be it further ordered,
that the State Controller increase allotment in account 012-16A-0329-01, Motor Vehicle Inspection, by \$500, and decrease allotment in account 012-16A-0546-01, Traffic Safety Division, by \$500 all in the Capital Expenditures line category for the purpose of purchasing a vehicle; and,

Be it further ordered,
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2018", for which this shall be our sufficient warrant.

Statement of Fact

This financial order transfers funds due to a change in the type of vehicle needed in the normal replacement schedule within the Motor Vehicle Inspection account. Funds in the Capital Expenditures line category in the Traffic Safety Division account are no longer needed due to a change in the number of vehicles purchased. This transfer will not cause an additional need in the Traffic Safety Division account in this fiscal year. Failure to approve this order will result in the inability to purchase a needed vehicle.
