

# Active Titles For Self-Study CLE Credits

## Available at the Law & Legislative Reference Library

According to the [Maine Board of Overseers website](#), "All self-study materials must be current (released within the past two years) to qualify for self-study credit." The Law and Legislative Reference Library clarified this with the Board of Overseers and their response indicated that self-study CLE credits for the reporting year 2017 would be accepted for CLEs dated 2015 forward. Carrying that interpretation to the 2018 reporting year, CLEs dated 2016 and forward will be accepted. See [Maine Bar Rule 5](#) for more information regarding CLEs.
