The notarial officer shall retain the journal for 10 years after the performance of the last notarial act chronicled in the journal.

**2. Tangible medium or electronic format permitted.** A journal under this section may be created on a tangible medium or in an electronic format. A notarial officer shall maintain only one journal at a time to chronicle all notarial acts performed regarding tangible records and one or more journals to chronicle all notarial acts performed regarding electronic records. If the journal is maintained on a tangible medium, it must be a permanent, bound register with numbered pages. If the journal is maintained in an electronic format, it must be in a permanent, tamper-evident electronic format complying with the rules of the Secretary of State.

**3. Requirements.** An entry in a journal must be made contemporaneously with performance of the notarial act and contain the following information:

- A. The date and time of the notarial act;
- B. A description of the record, if any, and type of notarial act;
- C. The full name and address of each individual for whom the notarial act is performed;

**7. Death or incompetency of notary public.** On the death or adjudication of incompetency of a current or former notary public, the notary public's personal representative or guardian or any other person knowingly in possession of the journal shall transmit it to the Secretary of State or a repository approved by the Secretary of State.

**§1921. Notification regarding performance of notarial act on electronic record; selection of technology; acceptance of tangible copy of electronic record**

**1. Selection of technology.** A notarial officer may select one or more tamper-evident technologies to perform notarial acts with respect to electronic records. A person may not require a notarial officer to perform a notarial act with respect to an electronic record with a technology that the notarial officer has not selected.

**2. Notification to Secretary of State.** Before a notarial officer performs the notarial officer's initial notarial act with respect to an electronic record, the notarial officer shall notify the Secretary of State that the notarial officer will be performing notarial acts with respect to electronic records and identify the technology the notarial officer intends to use. If the Secretary of State has established by rule standards for approval of technology pursuant to section 1928, the technology must conform to the rules. The Secretary of State shall determine whether the technology proposed by the notarial officer is approved for use in this State.

**3. Tangible copy of electronic record.** A register of deeds may accept for recording a tangible copy of an electronic record containing a notarial certificate as satisfying any requirement that a record accepted for recording be an original if the notarial officer executing the notarial certificate certifies that the tangible copy is an accurate copy of the electronic record.

**§1922. Notary public commission; qualifications; no immunity or benefit**

**1. Application.** An individual qualified under subsection 2 may apply to the Secretary of State for a notary public commission. The applicant shall comply with and provide the information required by rules established by the Secretary of State and pay any application fee.

When a person is conscientiously scrupulous of taking an oath, the word "affirm" may be substituted for the word "swear" and the words "this I do under penalty of perjury" may be substituted for the words "so help me God."

**4. Commission issued.** The Secretary of State shall issue to an applicant who has complied with this section a notary public commission valid for a term of 7 years.

**5. No immunity or benefit.** A commission issued under subsection 4 authorizes the notary public to perform notarial acts. The commission does not provide the notary public any immunity or benefit conferred by the laws of this State on public officials or employees.

**§1923. Examination of notary public**

**1. Examination required.** An applicant for a notary public commission who at the time of application does not hold a commission in this State must pass an examination administered by the Secretary of State or an entity approved by the Secretary of State. The examination must be based on the course of study described in subsection 2.

**2. Course of study.** The Secretary of State or an entity approved by the Secretary of State shall offer regularly a course of study to applicants for notary public commissions in this State. The course must cover the laws, rules, procedures and ethics relevant to notarial acts.

**§1924. Grounds to deny, refuse to renew, revoke, suspend or condition commission of notary public**

**1. Grounds.** The Secretary of State may deny, refuse to renew, revoke, suspend or impose a condition on a notary public commission for any act or omission that demonstrates the individual lacks the honesty, integrity, competence or reliability to act as a notary public, including:

A. Failure to comply with this chapter;

B. A fraudulent, dishonest or deceitful statement or omission in the application for a notary public commission submitted to the Secretary of State;

C. A conviction of the applicant or notary public of any crime punishable by one year or more imprisonment or a crime involving fraud, dishonesty or deceit;

F. Use of false or misleading advertising or representation by the notary public representing that the notary public has a duty, right or privilege that the notary public does not have;

G. Violation by the notary public of a rule of the Secretary of State regarding a notary public;

H. Denial, refusal to renew, revocation, suspension or conditioning of a notary public commission in another state; or

I. Violation of Title 21-A, section 903-E.

**2. Right to hearing.** If the Secretary of State denies, refuses to renew, revokes, suspends or imposes conditions on a notary public commission, the applicant or notary public is entitled to timely notice and hearing in accordance with Title 5, chapter 375, subchapter 4.

**3. Remedies preserved.** The authority of the Secretary of State to deny, refuse to renew, suspend, revoke or impose conditions on a notary public commission does not prevent a person from seeking and obtaining other criminal or civil remedies provided by law.

**§1925. Database of notaries public**

The Secretary of State shall maintain an electronic database of notaries public:

**1. Verification.** Through which a person may verify the authority of a notary public to perform notarial acts; and

**§1926. Prohibited acts**

**1. Acts not authorized.** A notary public commission does not authorize an individual to:

A. Assist persons in drafting legal records, give legal advice or otherwise practice law;

B. Act as an immigration consultant or an expert on immigration matters;

C. Represent a person in a judicial or administrative proceeding relating to immigration to the United States, United States citizenship or related matters; or

D. Receive compensation for performing any of the activities listed in this subsection.

**2. False or deceptive advertising prohibited.** A notary public may not engage in false or deceptive advertising.

**3. Restricted titles.** A notary public who is not an attorney licensed to practice law in this State may not use the title "notario" or "notario publico."

**4. Advertising requirements.** A notary public who is not an attorney licensed to practice law in this State may not advertise or represent that the notary public may assist persons in drafting legal records, give legal advice or otherwise practice law. If a notary public who is not an attorney licensed to practice law in this State in any manner advertises or represents that the notary public offers notarial services, whether orally or in a record, including broadcast media, print media and the Internet, the notary public shall include the following statement, or an alternate statement authorized or required by the Secretary of State, in the advertisement or representation, prominently and in each language used in the advertisement or representation: "I am not an attorney licensed to practice law in this State. I am not allowed to draft legal records, give advice on legal matters, including immigration, or charge a fee for those activities." If the form of advertisement or representation is not broadcast media, print media or the Internet and does not permit inclusion of the statement required by this subsection because of size, the statement must be displayed prominently or provided at the place of performance of the notarial act before the notarial act is performed.

**5. Access to original records.** Except as otherwise allowed by law, a notary public may not withhold access to or possession of an original record provided by a person who seeks performance of a notarial act by the notary public.

**6. Civil violation.** Any violation of this section constitutes a civil violation for which a fine of not more than \$5,000 may be adjudged.

**7. Civil action.** In addition to any other remedy that may be available, a person who is aggrieved by a violation of this section may initiate a civil action in the Superior Court

against the violator for injunctive relief or damages or both. If a court finds a violation of this section, the court may award to the person:

- A. An amount equal to actual damages sustained by the person as a result of the violation;
- B. An amount equal to 3 times the actual damages; and
- C. The costs of the action together with reasonable attorney's fees as determined by the court.

**8. Attorney General action.** If the Attorney General has reason to believe that a person in the State has engaged in or is engaging in activities that violate this section, the Attorney General may initiate an action in the Superior Court to enforce this section.

#### **§1927. Validity of notarial acts**

Except as otherwise provided in section 1904, subsection 6, the failure of a notarial officer to perform a duty or meet a requirement specified in this chapter does not invalidate a notarial act performed by the notarial officer. The validity of a notarial act under this chapter does not prevent an aggrieved person from seeking to invalidate the record or transaction that is the subject of the notarial act or from seeking other remedies based on the laws of this State other than this chapter or the laws of the United States. This section does not validate a purported notarial act performed by an individual who does not have the authority to perform notarial acts. This section does not limit the authority of the Secretary of State to reject candidate or initiative or referendum petitions under Title 21-A on the basis of improper notarizations.

#### **§1928. Rules**

**1. Rules.** The Secretary of State may adopt rules to implement this chapter. Rules adopted regarding the performance of notarial acts with respect to electronic records may not require, or accord greater legal status or effect to, the implementation or application of a specific technology or technical specification. The rules may:

A. The most recent standards regarding electronic records promulgated by national bodies, such as a national association of secretaries of state;

B. Standards, practices and customs of other jurisdictions that enact provisions substantially similar to this chapter; and

C. The views of governmental officials and entities and other interested persons.

**3. Routine technical rules.** Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

**§1929. Notary public commission in effect**

A notary public, in performing notarial acts after July 1, 2023, shall comply with this chapter.
