27 section number to read consecutively.

28 **SUMMARY**

29 This amendment amends the definition of "adult education." Current law includes
30 enrichment courses in the list of options that comprise an adult education program. This
31 amendment removes enrichment courses from that list, but keeps enrichment courses as a
32 part of "adult education." The amendment clarifies that enrichment courses are not
33 subject to requirements placed on other types of courses included in adult education. The
34 amendment retains the definition in current law of "enrichment course" in order to keep
35 enrichment courses in the adult education laws.
