11 SUMMARY

This amendment is the majority report of the Joint Standing Committee on Veterans and Legal Affairs. This amendment reduces the number of taste-testing events that may occur at an establishment licensed for on-premises consumption of alcoholic beverages from 3 per month to one per month. The amendment requires that liquor provided for taste-testing events be provided by the licensee and not a manufacturer or wholesaler. The amendment specifies that taste-testing events are to be in a designated area of the establishment and that liquor remaining after the event may be returned to the licensee's stock. Finally, the amendment authorizes the division within the Department of Public Safety responsible for liquor licensing and enforcement to adopt rules and requires the division to submit a report regarding the conduct of taste-testing events at on-premises establishments.
