A district may acquire for the public purposes of a district by purchase or by the exercise of the power of eminent domain any and all real property of any person, including the real and personal property and franchise of any person operating a local mass transportation service within any

municipality comprising a district. [PL 1987, c. 737, Pt. A, §2 (NEW); PL 1987, c. 737, Pt. C, §106 (NEW); PL 1989, c. 6 (AMD); PL 1989, c. 9, §2 (AMD); PL 1989, c. 104, Pt. C, §§8, 10 (AMD).]

1. Determination of damages. If the district and the owner are unable to agree on a price within 60 days after the district has notified the owner of its intention to exercise its power of eminent domain, the board of directors of a district may, by resolution, take and acquire all or any part of the real and personal property and franchise of that owner, and shall determine the amount to be paid to the owner for that taking. Upon payment of this amount, or if payment is refused, upon depositing this amount with the treasurer of the district to be held in trust separate and apart from other funds of the district, the district may take and become the owner of the real and personal property and franchise set forth in the resolution.

A. Within 30 days after payment or tender, the board of directors shall have recorded in the registry of deeds in the county where the land and property is located:

(1) A certified copy of the resolution; and

(2) A description of any real property and a plan of the real property, together with a description of any personal property taken under this section. [PL 1987, c. 737, Pt. 2. Appeal to Superior Court. If the owner is aggrieved at the damages awarded for a taking under this section, the owner may appeal from the award to the Superior Court of the county in which the property lies by filing a complaint in that court and serving the district with a copy of the complaint within 60 days from the date of the recording in the registry of deeds. The complaint must set forth substantially the facts, but shall not state the amount of the damages previously awarded to the owner. The damages may be determined in the Superior Court by a committee of reference if the parties so agree, or by a verdict of its jury. The committee of reference shall be allowed a reasonable compensation for their services, to be fixed by the court upon the presentation of their report and paid from the county treasury upon the certificate of the clerk of courts. The board of directors shall determine annually the sum, with interest, to be paid into the sinking fund by each municipality comprising the district. This sum shall be based on the same formula used in computing the operating deficit payment.

2. Determination of municipal contributions. Each year, before submitting the estimates required by subsection 1 to the municipal officers, the board of directors of the district, by a 2/3 vote of its entire membership, shall establish a formula for contributions to be made by each municipality in order to defray any projected deficit. This formula and estimated amount of the contribution required from each municipality shall be shown in the estimates filed with the municipal officers of each municipality.

A. The formula shall be based upon such items as route mileage, profit or loss resulting from the service to the municipality, population and any other factors that the board of directors considers relevant. The board of directors shall then, by December 15th, petition the Public Utilities Commission as provided in paragraph B. Upon the filing of the district's petition, the Public Utilities Commission, after notice to all the municipalities comprising the district and a hearing, shall consider the formula and make its findings and decision with respect to the formula within 60 days from the filing of the district's petition. The findings and

decision of the Public Utilities Commission are binding upon the district and the municipalities. The district or any municipality may appeal from the findings and decision of the Public Utilities Commission in accordance with Title 35-A, section 1320. [PL 1987, c. 737, Pt. By March 1st of each year, the board of directors shall adopt a final budget for that year which shall be itemized in the same manner as the estimate of expenditures and revenues under subsection 1. This budget shall be submitted immediately to the municipal officers of the municipalities comprising the district and the amounts allocated to each municipality to defray any projected revenue deficit in the budget shall be included in the warrant to the assessors of each municipality as provided in section 3517.

A. If an appeal from any findings and decision of the Public Utilities Commission as provided in subsection 2, paragraph C, is pending on March 1st, the allocations shall be made in accordance with the findings and decision of the Public Utilities Commission from which the appeal was taken. Any adjustments to these allocations required to be made in accordance with the decision upon any such appeal shall be made as follows.

Before April 1st of each year, the directors shall issue their warrant in the same form as the warrant of the Treasurer of State for taxes, with proper changes, to the assessors of the municipalities comprising the district. The warrant shall require the municipalities to assess the sum allocated to each municipality for payment of the operating deficit and the sum allocated to each municipality for payment into the sinking fund, if any, upon the taxable estates within those municipalities and to commit their assessment to the constable or collector of the municipalities. The constable or collector has all the authority and powers to collect these taxes as is vested by law to collect state, county and municipal taxes. Within 30 days after the date fixed by the municipality on which its taxes are due, the treasurer of the municipality shall pay the amount of the tax assessed under this section to the treasurer of the district. 1. Failure to pay. If the treasurer of a municipality fails to pay the sum assessed under this section, or fails to pay any part of the sum by the date set in the year in which the tax is levied, the treasurer of the district may issue a warrant for the amount of the tax, or so much of the tax as remains unpaid, to the sheriff of the appropriate county, requiring the sheriff to levy by distress and sale on real and personal property of any of the inhabitants of the municipality. The sheriff or any of the deputies shall execute the warrant.

1. Posting of signs. A transit district shall post signs in conspicuous places in all transit district facilities accessible to the public, including a building, terminal, kiosk, shelter or passenger rail, ferry, bus, bicycle or pedestrian facility, informing the public of the penalties for assaulting a transit employee.

For purposes of this subsection, "de-escalation" means the reduction of violent or disruptive behavior and resolution and minimization of conflict through verbal engagement and calming techniques.
