B. "Passamaquoddy Tribe" has the same meaning as in Title 30, section 6203, subsection 7. [PL 2007, c. 189, §1 (NEW).]

The rights applicable to municipal power districts as provided in this chapter apply to any tribal power district of the Penobscot Nation or the Passamaquoddy Tribe.

An application by a tribal power district to furnish electric power transmission, distribution or supply services must identify the boundaries of the Indian territory to be served. A tribal power district has the same rights, powers, privileges, obligations and limitations of a municipal power district formed under this chapter, including, but not limited to, the issuance of revenue obligation securities; the exemption of district property from taxation under Title 36, section 651; and, in the case of a tribal power district that has received approval from the commission under sections 2102 and 2105, the right of eminent domain as provided under section 3911.
