						sharing by providing benefits directly to property tax payers through a state tax credit rather than through distributions to municipalities. The maximum an individual taxpayer could receive would be 80% of the individual's annual property tax bill. The maximum a corporate taxpayer could receive would be 40% of its annual property tax bill. The credit would be calculated as a percentage of total revenue sharing funds attributable to the municipality where the taxpayer's property is located and the taxpayer's annual property tax liability as a percentage of annual property tax liability statewide.			
904	441			Johansen	An Act To Require the County Commissioners To Adjust the Assessed Value of a Municipality When They Grant an Abatement Request	This bill requires the county commissioners for a municipality or primary assessing area to whom an appeal of an assessment has been made to adjust downward the valuation of the municipality or primary assessing area when the county commissioners grant the abatement. The adjustment must be equal to the amount of the abatement.			
915	993			Hymanson	An Act To Lower Property Taxes	This bill requires payments beginning in fiscal year 2018-19 to a municipality of an amount, as determined by the State Tax Assessor, equal to 5% of the sales and use tax revenue attributable to the municipality in the previous fiscal year. The amount received may not reduce any other state aid or revenue sharing received by that municipality, and amount. The Unorganized Territory Education and Services Fund receives the local sales tax payment for the unorganized territory and is subject to the same requirement to use the revenue to reduce property taxes.			
928	426			Picchiotti	An Act Requiring a Dynamic Fiscal Analysis of Changes to Visual Media Production Tax Credits and Reimbursements	Part A of this bill creates a pilot project to develop and evaluate a tax simulation model for state dynamic fiscal analysis of potential changes to the certified visual media production credit established in the Maine Revised Statutes, Title 36, section 5219-Y and the visual media production reimbursement established in Title 36, section 6902. The Department of Economic and Community Development may enter into a memorandum of understanding with the University of Maine to conduct the pilot project. The Department of Administrative and Financial Services, Maine Revenue Services and the Office of Fiscal and Program Review are required to evaluate the findings of the pilot project and to jointly report to the Joint Standing Committee on Taxation whether the proposed changes to the visual

						media production credit and reimbursement would result in a negative or positive fiscal impact. Part B of this bill repeals the certified visual media production credit and instead increases the reimbursement amount for certified production wages paid from 12% to 25% for residents of Maine, increases the cap on the reimbursement of wages from \$50,000 to \$100,000 and provides for a reimbursement of 20% of nonwage visual media production expenses. These changes take effect only if the result of the joint finding of Maine Revenue Services and the Office of Fiscal and Program Review is that the changes proposed in this Part would result in a positive fiscal impact on state revenue.			
935	522			Blume	An Act To Exempt from Taxation Certain Out-of-state Pensions	This bill exempts from Maine income tax certain income from out-of-state pensions in order to avoid double taxation of that income. The exemption is only for the amount of the contribution made by the taxpayer divided by the life expectancy of the taxpayer and applies only if the income is included in federal adjusted gross income and not deducted under the general pension deduction. In order to qualify for the exemption, the contribution must have been made using income on which income tax was paid and is available only if the state in which the taxpayer resided at the time of the contribution provided a similar exemption to a former resident of Maine.
