

STATE OF MAINE
ONE HUNDRED AND TWENTY-FIRST LEGISLATURE
SECOND REGULAR SESSION
JOURNAL OF THE SENATE

In Senate Chamber
Wednesday
January 7, 2004

Pursuant to the provisions of Article 5, Part 1, Section 1 of the Constitution and the laws of the State of Maine, the Senate convened in the Senate Chamber at ten o'clock in the morning and was called to order by President **BEVERLY C. DAGGETT** of Kennebec County.

Prayer by Reverend Howard Cole, Augusta Baptist Church.

REVEREND COLE: Let us pray. All mighty God, we thank Thee for the joys of the recent holidays. We praise Thee and we thank Thee for what has been accomplished in the past year of 2003 and we look forward with great anticipation to the opportunities and the challenges of this new year.

We thank Thee for the privilege of living in the United States of America, the land of the free and the home of the brave. We would pray this day for our government, on all levels, the Federal, the state, and the local levels, the Executive, the Legislative and Judicial branches, and pray that the leaders of our land might lead the people of this country in the paths of righteousness for Thy namesake.

We would remember this day our armed forces and those troops that are serving in places of danger and ask, Heavenly Father, that Thou will keep them safe from all harm. We pray that those lands that we have been at war with, Afghanistan and Iraq, will one day be allied together with us in peace.

We pray, Lord, for the great State of Maine. We thank Thee for its mountains and for its vast timberlands. We thank Thee for its flowing rivers and we remember to thank Thee for its picturesque seacoast.

We pray for Thy blessing upon the Governor of this state and upon the legislators that are gathered here this day, within these hallowed halls. We would ask, Lord, that our leaders of this land might remember that they are first servants and we pray that those Senators gathered here this day might serve the State of Maine in a wonderful way. We pray that our Senators might always be men and women of great character, with conviction, and people with compassion. We pray, Heavenly Father, that Thou will grant that they might have courage to rise up and meet the challenges of the future. We ask, Lord, for mercy for the past, for faith for the present, and hope for the future. We pray this all in the name of our wonderful Lord, Amen and Amen.

Pledge of Allegiance led by Senator Pamela H. Hatch of Somerset County.

Dear President Daggett and Speaker Colwell:

In accordance with 5 M.R.S.A., § 13070-J, we are pleased to submit the "agency report" for the Governor's Training Initiative (GTI). GTI has been instrumental in the creation and retention of high skill, quality employment for Maine residents since its inception in 1996.

In calendar year 2002, fifty companies received GTI reimbursement payments totaling \$10,000 or more. The attached report lists the amounts paid and the anticipated job growth and retention associated with those funds. Because the GTI funding cycle is spread over a two-year period, funds related to Economic Development Incentives Report reporting requirements for calendar year 2002 may be associated with GTI contract allocations spanning three funding cycles (PY'01, PY'02, PY'03).

Statistics included in this report indicate the public benefit derived from GTI assistance, including job creation, job retention and the amount of private dollars leveraged in company contribution toward funded training activity. A short selection of company comments has been provided that are representative of responses regarding public benefit.

GTI ensures that the needs of small firms are addressed via the scoring process, and requires applicants to identify the public benefit resulting from proposed training projects. GTI continues to be a primary vehicle for achieving sustainable long-term economic growth for Maine. Incumbent and new hire worker training continues to be referenced in numerous benchmarks for the "Measures for Growth" report submitted annually by the Maine Economic Growth Council.

**STATE OF MAINE
MAINE REVENUE SERVICES
24 STATE HOUSE STATION
AUGUSTA, MAINE 04333-0024**

October 1, 2003

Senate President Daggett
Speaker of the House Colwell
Members of the 121st Maine Legislature:

Pursuant to 5 MRSA Section 13070-J, the State Tax Assessor is required to submit a report to the legislature identifying the amount of revenues foregone as the result of the Jobs and Investment Tax Credit (JITC), the Research Expense Tax Credit (R&D), the Seed Capital Investment Tax Credit, the Shipbuilding Facility Credit, and public funds spent on the Business Property Tax Reimbursement Program (BETR). Attached are four reports providing you with this information.

The first table lists corporations that reduced their Maine income tax liability with the JITC, the R&D credit, and/or the Seed Capital credit in tax year 2001, as well as the value of the credits. Table II lists the number of individual filers that reduced their Maine income tax liability with the JITC, the R&D credit, and/or the Seed Capital credit in tax year 2001. Tax year 2001 is the last year for which we have full information on both corporate and individual filers. Statutes governing the release of confidential taxpayer information prevent us from reporting the names of the corporations or individuals that benefited from these tax credits.

The third attachment explains the Shipbuilding Facility credit. As required by statute the report provides information on the level of employment, yearly investment and the cumulative amount of investment. Since the inception of the credit, the level of employment has been such that the annual cost to the state treasury has exceeded the base credit amount of \$3 million per year.

The fourth attachment is a computer printout of BETR recipients. For purposes of this report, businesses that received reimbursement during calendar year 2002 are listed. BETR recipients filed during the calendar year 2002 for eligible property taxes paid during the calendar year 2001. Because of changes made by the legislature regarding when BETR reimbursement requests could be made, a number of BETR recipients received reimbursement for 2001 payments at the end of calendar year 2001. In addition, requests for eligible payments made during calendar year 2002 could not be filed until August of 2003. Therefore, the number of recipients and the dollars received during calendar year 2002 are uncharacteristically low.

Of the 1,236 businesses that received a BETR reimbursement during calendar year 2002, 253 received a reimbursement of \$10,000 or more, requiring them to file an Economic Development Incentive Report with DECD. Firms receiving a BETR reimbursement greater than or equal to \$10,000 represent 20% of recipients and 95% of the total BETR expenditure in calendar year 2002.

If you have any questions on this report please do not hesitate to contact me.

Sincerely,

S/Jerome D. Gerard
