

**STATE OF MAINE
ONE HUNDRED AND TWENTIETH LEGISLATURE
SECOND REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Friday
February 1, 2002

Senate called to order by President Richard A. Bennett of Oxford County.

Prayer by Pastor Joseph Pauliks, First Baptist Church of West Gardiner.

PASTOR PAULIKS: Let us unite our hearts in prayer. Our Heavenly Father and God, Lord, in the quietness of this moment we just thank You today for Your providential care over us, as we got here safely today, Lord. Father, we also thank You that You know the beginning from the end, that You are alpha and the omega as Your word says, Father. Lord, we just ask for guidance and blessing, Lord, in this time. We thank You for this great country that we serve here this morning, Lord. We thank You for the United States, that is based upon biblical principles, Lord. May we not shy far from that, Lord. May we continue to uphold Your word, Father. Lord, we just thank You for this time. Again, Lord, we ask for wisdom and guidance as these Senators go about their business, Lord. We ask that You would, again, give us traveling mercies as we leave here today. We just thank You and love You. In Jesus' precious and holy name we pray. Amen.

January 31, 2002

Pamela L. Cahill
Secretary of the Senate
3 State House Station
Augusta, Maine 04333-0003

Dear Secretary Cahill,

I am pleased to announce that today I am awarding the first "President's Cornerstone Award" to Moosehead Manufacturing Company. John Wentworth, company president, will accept the award at the company's Monson factory on behalf of Moosehead's 250 employees.

Founded in 1947, Moosehead Manufacturing Company develops, produces and markets high quality furniture. The firm's commitment to product affordability, strength and classic Maine workmanship has earned it one of the most trusted and respected furniture names in America for quality, value and customer service. They have produced more than a half billion dollars worth of furniture in the last 55 years, and have shipped their products throughout the United States and to locations in Canada, Bermuda, Panama, Puerto Rico, Japan, and South Korea.

Moosehead Manufacturing Company is committed to its employees, community, region and state. In 1999, the company earned the title "Employer of the Year" from the New England Training and Employment Council. They are exemplary corporate citizens having donated furniture and money annually to countless local auctions, charities and raffles. They have also made strong, and lasting, financial commitments to the state's educational institutions.

Senator Paul Davis and Representative Sharon Libby Jones, who nominated Moosehead Manufacturing for the award, will be on hand when it is presented. Moosehead Manufacturing represents what is best about Maine people, their work ethic and their entrepreneurial spirit. I am pleased to honor them for their investment in Maine's economy, its people, and our future.

Sincerely,

S/Senator Richard A. Bennett

STATE PLANNING OFFICE
38 STATE HOUSE STATION
AUGUSTA, ME 04333-0038**

January 15, 2002

Honorable Richard A. Bennett
President
Maine State Senate
3 State House Station
Augusta, ME 04333

Dear President Bennett:

Enclosed is the Annual Report for activity in 2001. It has been both a fruitful and frustrating year. The productivity results from reaching a favorable settlement with Maine Yankee on its license termination plan, maintenance of good working relations between and among state agencies and Maine Yankee, and meeting with other members of the state's support agencies as we weathered September 11. The frustration list is short: the one item is the continuing state responsibility to host spent fuel, a federal responsibility with federal legal protection from state concerns.

The storage of spent fuel and GTCC is and will be a security and fiscal ache until the cure of removal.

I appreciate the opportunity to serve you and the people of Maine. Please feel free to call if you have any questions about the Report.

Sincerely,

S/Paula M. Craighead
State Nuclear Safety Advisor
