May the newness of this day fill us with fresh ideas, new visions, and increased energy to do the work that is before us. We join with each other and with the citizens of our State of Maine to better our communities; to promote justice and peace; to remember our children and families. We join with each other and with the citizens of our state to renew the forests; to restore the waters; to care for the plants and wildlife. We join with each other and with the citizens of our state to bring new life to our cities, towns, and communities; to protect our state, its people and its resources; to work for renewal of all life. We join together as many working for the good of all Your people. Grant us wisdom and courage as we lead our state in this new day and into the future. Amen.

THE PRESIDENT PRO TEM: The Chair recognizes the Senator from Aroostook, Senator Martin.

Senator **MARTIN:** Thank you, Madame President and members of the Senate. As you are obviously aware, over the years I've been opposed to this legislation, but it is clear that this legislation has the votes to become enacted into law. Following the discussion the last time we discussed the bill I received a phone call from the Department of Human Services, who hadn't paid much attention because they were thinking the bill would be defeated again. They were concerned with one aspect of the legislation. I indicated that I would sponsor the amendment to go onto the bill that, from their point of view and mine, solves the problem of what happens when people are going to be drinking beverages around the golf course and have no place where they can go, except in the woods. They were concerned about that. Frankly, that was something that I had never thought of. After talking to the industry and some people from the golf courses, in many cases they have already dealt with this issue and they do not have a problem with the amendment. That is why I am offering the amendment today.

On motion by Senator **WOODCOCK** of Franklin, supported by a Division of at least one-fifth of the members present and voting, a Roll Call was ordered.

The Doorkeepers secured the Chamber.

THE PRESIDENT PRO TEM: The Chair recognizes the Senator from Cumberland, Senator Pendleton.

Senator **PENDLETON:** Thank you, Madame President. Just so everyone knows what we are doing here, this is an amendment to the errors bill. The amendment clarifies the application of Public Law 2003, chapter 456. This was an act to protect against unfair prescription drug prices. What happened in the original bill is that it did not specify how the law would apply to previously

entered contracts. What this amendment does is allows those contracts that were not already settled to have a date certain set back so that they can have time to not be caught in-between. Thank you.

On further motion by Senator **PENDLETON** of Cumberland, Senate Amendment "A" (S-416) **ADOPTED**.

PASSED TO BE ENGROSSED AS AMENDED BY SENATE AMENDMENT "A" (S-416), in NON-CONCURRENCE.
