Senate called to order by President Pro Tem Beth G. Edmonds of Cumberland County.

Prayer by Reverend Robert Beaumont of Penney Memorial Baptist Church in Augusta.

**REVEREND BEAUMONT:** Let us pray. We bow before You, humbly, in this legislative chamber. We seek Your wisdom in the work of this Senate and upon the great land in which we reside and work and play. We thank You for the dedication of these elected officials who come to work for the people of Maine. Grant them Your wisdom. Grant to them Your guidance. Place upon them the need to sever the hurting and the helpless of our land. We are thankful that we live in a land absent of violence or war. Help us to keep and preserve the peace that we enjoy in our land. Let us all be peacemakers, doing what we can to protect and to preserve that coveted possession. Amen.

Senator **CATHCART:** Thank you, Madame President and men and women of the Senate. I'm very pleased today to call your attention to the expression of legislative sentiment recognizing the University of Maine's Agricultural and Forest Experiment Station, which for 115 years has been conducting research on Maine's natural resources. Along with the University of Maine Cooperative Extension, it has been working with Maine people to improve the benefits, quality, value, marketability and sustainability of Maine's agricultural and forest products. They have made a tremendous contribution to the State of Maine for the past 115 years. The agricultural and forest experiment station and the Cooperative Extension are part of what makes the University of Maine unique among the higher education campuses of our state and it helps to point out the mission which is statewide of the land grant university. I'm very happy to have representatives from the group here today and urge you to go down to the 2<sup>nd</sup> floor and meet them and find out about all the wonderful things they are doing for the people all over the state. I'm really proud today to have the Director, Lavon Barel, here. If I may recognize them, John Rebar and Steve Reiling also are here from the University of Maine. Thank you, Madame President.
