

**STATE OF MAINE  
ONE HUNDRED AND TWENTY-EIGHTH LEGISLATURE  
FIRST REGULAR SESSION  
JOURNAL OF THE SENATE**

In Senate Chamber  
Tuesday  
February 28, 2017

Senate called to order by President Michael D. Thibodeau of  
Waldo County.

Prayer by Reverend Larry Lakey, Winslow Baptist Church.

**REVEREND LAKEY:** Good morning. Please bow with me in prayer. Dear Heavenly Father, You are perfectly gracious and You give us every good thing to enjoy. We thank You for this day and for the opportunity to work and serve the people of this great state. Thank You for the men and women who serve in this Senate Body. Help them to serve well in their trusted roles. May they serve selflessly, pursuing the common good over and above their own interests. Grant them an exemplary standing in abiding the law. Help them to navigate difficult issues and situations that might endanger their integrity and protect them against false accusations. Give them an unusual ability to listen to each other, to highly regard the perspectives of those with whom they disagree. May they see the worth You have invested in every person made in Your image. Grant them patience and a gracious spirit when working as colleagues. Give them uncommon wisdom, clarity of thought, and the perseverance needed to work creatively for effective solutions for complex problems. Make their work productive and fruitful for the good of those whom they serve. Grant them the good reputation that is earned by those who steward well this authority and this great responsibility. Father, I also pray that You would bless each one of them in a very personal way. May their lives outside of government work be rich and satisfying. Grant not only the ability to work well but the peace and rest needed when the workday is done. Bless them in their families and their relationships with family. May they find joy in knowing and loving others, as well as in being known and loved by others. Give them transparency and intimacy with those who care for them most. Protect them from those who would merely use them for political influence and bring genuine friendships into their lives and trusted companions with whom to share all of the good things You give. Grant them the perspective needed to make wise investments in relationships that far outlast the duration of their public service. I pray that their lives outside this Chamber would be just as rich and full as their collaborative work here together could possibly be. May the great State of Maine thrive because of those who serve in this Senate. I pray this in the name of our Lord, Jesus Christ. Amen.

Pledge of Allegiance led by Senator Michael E. Carpenter of  
Aroostook County.

**THE PRESIDENT:** The Chair recognizes the Senator from Kennebec, Senator Katz.

Senator **KATZ:** Thank you, Mr. President. Mr. President, men and women of the Senate, February 11<sup>th</sup> was 2-1-1 Maine Day. I just wanted to call our colleagues' attention to the importance of this organization. Reading the Resolution and it's really pretty staggering. I think we're all familiar with 2-1-1, which provided kind of a central place for people to call with a variety of referrals. Six hundred and seventy thousand requests since 2006. In a world where it's kind of difficult sometimes to navigate and find the right place to go, 2-1-1 is a real model of a public/private cooperation that helps people get steered in the right direction. We're all pleased to recognize that organization and wish it continued success. Thank you, Mr. President.

**ADOPTED**, in concurrence.

**THE PRESIDENT:** The Chair recognizes the Senator from Cumberland, Senator Breen.

Senator **BREEN:** Thank you, Mr. President. Mr. President, men and women of the Senate, you may recall last year I stood and proudly said I was here to announce that I had some great news. I'm here again to announce I have great news. The students of Gray-New Gloucester High School have again, for the fourth year in a row, won the Verizon App State Challenge. This year's first place app is remarkably useful to all of us. It's called Opportuniteen. It's an easy to use way for teens to quickly find local job and volunteering opportunities that suit them. Simply post your job on Opportuniteen and local teenagers can search for opportunities to work or volunteer in their communities. First prize this year gained quite a bounty for Gray-New Gloucester High School, \$5,000 for the App Team Program; 10 Verizon Ellipsis Tablets, each worth \$300, for the school; lots of excellent Verizon swag; and, in the words of their devoted advisor and coach, Matthew Laney, his unending appreciation for their hard work. I, too, am very proud of them and thank them for their hard work on behalf of our community and I'm pleased to welcome members of the first place team today; Emily Brewer, Hannah Dawkins, Nikki Michaud, Taitum Rice, and Jasmine Taudvin. Thank you so much, Mr. President.

### PASSED.

**THE PRESIDENT:** The Chair recognizes the Senator from York, Senator Collins.

Senator **COLLINS:** Thank you, Mr. President. As you can see, this is a notice of the 100<sup>th</sup> Anniversary of the Lewiston-Auburn Rotary Club. I don't reside in Androscoggin County, I reside in York County, but I've been a Rotarian for 30 years and I can remember joining Rotary, the Wells Rotary Club, in 1987 and it got me heavily involved in my community. Their motto is "Service above self" and most Rotarians firmly believe that and they give of their private time to make our communities a better place to live. It's not just communities because Rotary is Rotary International, and there are Rotary Clubs across this globe. When I'm on vacation, or traveling around, I always try to make up, as they call it, at a Rotary Club meeting regardless of where I happen to land on that particular day. So I strongly believe in Rotary and the good work that it does. One of their main objectives is to eradicate polio and they've done an excellent job in doing that. There are a few areas left in the world that polio's still a dreadful, dreadful disease, but nevertheless, their perseverance and hard work someday will accomplish that feat and completely eradicate polio from this world.

I want to tell you just a quick story, if I might. I'm a former President of the Wells Rotary Club. When I was President we sponsored a Brownie Troop and so we bought all the necessary stuff that they needed to get started. Then I was invited down by the Den Mother to address the Brownies and it was like being in the land of munchkins because they're all eight or nine years old and they're all very short and I was kind of like in the center of a horseshoe and there was one little girl in front. She kept asking questions and I thought to myself, "Well, she'll make a good Legislator someday." Anyways, another story. Anyways I answered her questions and so she said to me, very emphatically, she said, "Well, you go around and you raise money through the town and you ask for donations and then you give it all away." I said, "Ya, that's it. That's it in a nutshell." Leave it to a child like that to kind of read through everything and capsulize it. But if I ever could do anything for this Body here today is to encourage you, if the opportunity arises, to join Rotary. Thank you.

**THE PRESIDENT:** The Chair recognizes the Senator from Androscoggin, Senator Libby.

Senator **LIBBY:** Thank you, Mr. President. Men and women of the Senate, appreciate the remarks from our good colleague from York, Senator Collins, on the occasion of the Rotary Club of Lewiston-Auburn's 100<sup>th</sup> Anniversary, founded in 1917. It's a pretty remarkable accomplishment for these local community members and business owners that have been gathering for this long and to be raising money for so many good causes for this long. Rotary is very popular in our community. In fact, it is so popular that we have to have two Rotary Clubs of Lewiston-Auburn; the Breakfast Rotary Club of Lewiston-Auburn and the Afternoon Rotary Club of Lewiston-Auburn. So for these folks that meet in the afternoon, they've been meeting for 100 years, it's a great honor to pass along this Sentiment from the Maine Legislature. Thank you, Mr. President.

**THE PRESIDENT:** The Chair recognizes the Senator from Sagadahoc, Senator Vitelli.

Senator **VITELLI:** Thank you, Mr. President. Members of the Senate, I'm honored to stand before you this morning to speak about Margaret Gardiner of Woolwich who celebrated her 95<sup>th</sup> birthday earlier this month, on February 11<sup>th</sup>. Margaret dedicated her life to the Morgan horse and had much success bringing the horses to international competitions. She's also the daughter of William Tudor Gardiner, who served in the State Legislature in the 1920's and as the 55<sup>th</sup> Governor of the State of Maine from 1929 to 1933. At a young age, Margaret was present in the Senate Chamber for the vote on his Administrative Code, which consolidated state government and restructured the judicial system in an effort to weather the Depression. It is likely that she is the last living person to witness the vote. I had the pleasure of meeting Margaret years ago, when I was living across the bay at Chewonki. I was impressed by her passion and by her generosity. Unfortunately, Margaret has a bad cold and she was not able to make it to Augusta today, but she said that she is here in spirit and I want to extend my best wishes to Margaret and her family from all of us on her 95<sup>th</sup> birthday. Thank you, Mr. President.

Off Record Remarks

Senator **MASON** of Androscoggin was granted unanimous consent to address the Senate on the Record.

Senator **MASON**: Thank you. I just wanted to draw attention to the fact that my community, and the community of Turner, lost a very influential woman in our town. Crystal Hewitt was killed in a car accident on Friday. She was a teacher of first grade at Calvary Christian Academy in Turner, and she leaves behind four boys, all under the age of 20, and her husband, who is also a teacher at the school. So I would just ask everybody to keep the family in their prayers and in their thoughts tonight as they lay her to rest. I know the Hewitt family very personally and they have a son who is handicapped and it's going to be a really tough road

for them. So I would just ask everybody to keep them in their prayers. Thank you.
