

**STATE OF MAINE
ONE HUNDRED AND TWENTY-THIRD LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Thursday
May 10, 2007

Senate called to order by President Beth Edmonds of Cumberland County.

Prayer by Father Ralph Boisvert of the Catholic Community in Augusta, Gardiner and Whitefield.

FATHER BOISVERT: I think there are times when we gather like this for a meeting or an assembly that we usually start with a prayer, but often times I think it's just lip service. We just do it to get it out of the way so we can get on with the real business of life. This morning I'd like you to just take a few moments in silence and just think of the gifts that God has given you, that God has brought you here because you have a purpose in His plan, and working together as God's people you will bring about what we are supposed to be doing, sharing the gift of love and reaching out to those who are unable to support themselves, those who are alienated, and those who are struggling with addiction. If we just take a few moments right now to reflect on God's presence in your heart.

Almighty and eternal God, You have revealed Your glory to all nations. God of power and might, wisdom and justice, through You authority is rightly administered, laws are enacted, and judgment is decreed. We pray for Governor Baldacci, for the members of the Legislature, for judges, elected city officials, and all others who are entrusted to guard our political welfare. May they be enabled by Your powerful protection to discharge their duties with honesty and ability. We likewise commend to Your unbounded mercy all citizens of the United States, that we may be blessed in knowledge and sanctified in observance of Your holy law. May we be preserved in union and that peace which the world cannot give, and after enjoying the blessing of this life, be admitted to those which are eternal. We pray to You, who are Lord and God for ever and ever. Amen.

S.P. 700

**JOINT RESOLUTION RECOGNIZING
ADULT EDUCATION IN MAINE**

WHEREAS, since 1871, Maine's public schools have supported the development of an adult education system that has grown and adapted to meet the needs of Maine's population at 120 locations

throughout the State, to serve more than 117,000 Maine adults annually; and

WHEREAS, adult education programs based in the public school systems are uniquely positioned to provide adults with the opportunity to learn close to where they live in Maine; and WHEREAS, adult education programs are vital to the economic development of Maine, providing high school completion programs and courses specifically designed to help educate the workforce and prepare Maine adults for success in college; and

WHEREAS, the areas of emphasis in adult education include:

1. College transition programs, based upon collaboration with the Maine Compact for Higher Education, the Maine Community College System and the University of Maine System, which provide career guidance, an orientation to college and refresher and prerequisite classes for aspiring students. Comprehensive adult education college transition programs, such as the Maine College Transition Program, have been successfully piloted over 6 years with assistance from the Nellie Mae Education Foundation, the MELMAC Education Foundation and the Betterment Fund, and last year the State of Maine initiated the Maine College Transition Program at 6 sites. The goal is to increase the number of adults in Maine earning college degrees by 10,000 by 2020 through formal programs at more than 30 sites;

2. Direct service to Maine's dislocated workers, more than 3,500 of whom from 100 companies during the past 5 years have been helped;

3. Literacy and English as a Second Language programs, with 15,000 enrollments in 2007, and successful family literacy programs combining adult education and early childhood and parenting instruction;

4. High school completion and GED programs, with 3,108 credentials awarded in Maine in 2006;

5. Career preparation and upgrading courses for Maine workers, with more than 22,000 enrollments in 2006, and programs tailored specifically for Maine businesses, including the implementation of a Work Ready Credential program for Maine employers focusing on "soft skills" for success in the workplace; and

6. Community education courses, which have contributed to the quality of life in Maine communities, offering the opportunity in 2007 for Mainers 18 years of age and older to share talents and learn from others. In several regions, adult education programs are leading the way in developing the creative economy; and

WHEREAS, funding for adult education in Maine is a collaboration involving state subsidies, local taxpayer support, grants, contracts and fees paid by those enrolled in nonacademic courses; now, therefore, be it

RESOLVED: That We, the Members of the One Hundred and Twenty-third Legislature now assembled in the First Regular Session, on behalf of the people we represent, take this opportunity to pause to acknowledge and applaud Maine's adult

education programs, which uniquely reflect the needs of the communities they serve and provide a vital system of service to the population of the State as new challenges are faced in economic, community and family life; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Department of Education.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Diamond.

Senator **DIAMOND:** Thank you, Madame President, men and women of the Senate. This LD 1040 was the one you may have heard about. It's the one that would have brought the heavy hand of the law down on the high school seniors, requiring them to fill out a college application. No one is disagreeing with the fact that high school seniors should be encouraged to fill out the application. It might even pick up a few that didn't think they ever would go to college and that's a good thing. The bad thing is what it is saying is, 'By golly, you're going to do it. We're making a law that says you have to and if you don't you are breaking the law.' What this amendment simply says is that we ask the Commissioner of Education and the Department of Education to do all they can to encourage the final 20% of the high school seniors who don't fill out an application and to do all they can to make that happen. Having discussed this with the Commissioner, she has even suggested that she will have this request put in the rules of graduation requirements, Rule 27 of the Department of Education. What we are doing here is getting the same objective without passing a law telling these kids they have to do this. The Commissioner will encourage all the school systems to actually include that as part of their assignment during the senior year. We can accomplish all of this without the heavy hand of the law and that is what the amendment does. I would ask for your support. Thank you, Madame President.

On motion by Senator **DIAMOND** of Cumberland, Senate Amendment "A" (S-100) **ADOPTED**.

PASSED TO BE ENGROSSED AS AMENDED BY HOUSE AMENDMENT "A" (H-180) AND SENATE AMENDMENT "A" (S-100), in **NON-CONCURRENCE**.

Ordered sent down forthwith for concurrence.

Committee Amendment "A" (S-99) **READ** and **ADOPTED**.

THE PRESIDENT: The Chair recognizes the Senator from Aroostook, Senator Martin.

Senator **MARTIN:** Thank you, Madame President. Very quickly, this is the result of the work that had been done by a special committee that was chaired by the good Senator from Kennebec, Senator Mitchell, and members of both Parties were on it. It subsequently went to the Rules Committee and we had made a couple of changes. This does two major things. One is to require that all studies that come out of the Legislature be chaired by members of the Legislature. Second, it requires that a majority of the members of the committee be Legislators. Specifically, that is the result of some of the things that have happened in the past where, for example with one I chaired last session, a majority of the members of the committee were from the industry, both municipal and private garbage collectors. In other words, it got nowhere. Another one was the result of a committee the good Senator from Kennebec, Senator Mitchell, was on. It was chaired by someone outside the Legislature and it had no control from the Legislature. This is an attempt to put Legislative studies under the control of the Legislature and keep them under the control of the Legislature. When they come reporting, we know where the reports are coming from and the purpose for which they serve. This requires a 2/3 vote because of the fact it is amending the rules in the middle of session. I would urge every member of the Senate to vote for the rule.

Pursuant to Joint Rule 102 a Division was had. 33 Senators having voted in the affirmative and no Senators having voted in the negative, and 33 being more than two-thirds of the members present and voting, the Joint Order was **PASSED AS AMENDED BY COMMITTEE AMENDMENT "A" (S-99)**.

Sent down for concurrence.
