Re: *2017 Attorney General Report to the Legislature
Under the Petroleum Market Share Act*

Dear President Thibodeau, Speaker Gideon, Senators Volk and Woodsome, and Representatives Fecteau and Berry:

I am pleased to make this report in accordance with the Petroleum Market Share Act (P.M.S.A.), 10 M.R.S. § 1677. The P.M.S.A. requires the Attorney General to make a report to the Legislature describing the concentration of retail outlets in the State, including a recommendation as to whether additional legislation is needed to further limit or curtail the activity of refiners operating retail outlets.

Enclosed is a report describing concentration of retail outlets in the State. The report, which is based on data collected from wholesalers of both motor fuel oil and home heating oil, includes maps depicting relative concentration in designated markets throughout the State. This report is also available on the Attorney General's website at: <http://www.maine.gov/ag/docs/PMSA%20Report%202015-2016.pdf>.

Since no refiners of petroleum products operate retail outlets in this State, we recommend no legislation to limit or curtail such operations.

I appreciate this opportunity to provide this information and hope it is useful.

Sincerely,

S/JANET T. MILLS
ATTORNEY GENERAL

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 45, "Resolve, Concerning the Ownership of a Causeway on Long Lake near St. Agatha."

While I understand how uncertain ownership of causeways can be problematic, this resolve does not address that issue in a final way. Rather, this resolve creates an unfunded mandate on the Executive Branch. It mandates the Commissioner of Environmental Protection, the Commissioner of Agriculture, Conservation and Forestry and the Commissioner of Transportation convene a "working group" to study the ownership of a causeway near St. Agatha.

Typically when there are disputes as to ownership, these disputes are settled in the Judicial Branch, not in the Legislature and certainly not by three of the most important managers in the Executive Branch. I recommend those who have question about the title of the causeway seek redress in court.

For these reasons, I return LD 45 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 582, "An Act To Provide for Timely Physical Examinations of Children Entering State Custody."

While I appreciate the efforts of the Legislature to urge Maine toward the fastest possible health and behavioral assessments for kids being brought into foster care, this proposal is neither possible nor practical. Today, Maine law requires the Department to ensure that a medical appointment is scheduled within 10 days of a child coming into state custody. Ten days is a quick turnaround that still allows for the complexities of a case to be fully considered, as well as for the difficulties of scheduling an appointment in a state that had a shortage of clinicians.

As the Legislature considers the issues highlighted in this bill, it must not lose sight of the broader issue. Tax policy is driving doctors and other high-income earners out of Maine and makes recruitment of new professionals nearly impossible and restricts access to the medical care that Mainers need.

I support and am committed to ensuring that all children who enter state custody have their physical and mental health needs met as quickly as possible, but imposing an arbitrary deadline that cannot be met does not address this. Today, child welfare case managers work tirelessly to meet the needs of Maine's foster kids. Additionally the Office of Child and Family Service partners with the Maine Chapter of the American Academy of Pediatrics and numerous physicians across the state, and it has created a new billable service in MaineCare to cover visits known as Comprehensive Health Assessments specifically to serve our most vulnerable kids.

For these reasons, I return LD 582 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

Paul R. LePage

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 820, "An Act to Protect Maine's Clean Water and Taxpayers from Mining Pollution."

This bill will deter any company from mining in Maine, and it will discourage exploration of our mineral deposits because this bill would make them undevelopable. As a state we should encourage innovation and welcome businesses that will employ our citizens and contribute to our gross domestic product. This bill takes away the opportunity for innovative companies to select safe and cost-effective methods to mine, and it perpetuates the hypocritical, not-in-my-backyard attitude that keeps Maine at a competitive disadvantage.

In a world of rapidly developing technology, people want the latest electronic device- which requires metals mined from somewhere-but they refuse to believe that same level of technological advancement can occur in our manufacturing and resource extraction industries. Establishing clear and reasonable standards for mining could bring mining jobs to Maine. Unnecessary prohibitions based on fear, not science, prevent job creation.

Companies will continue to choose other states to do business until we can offer them a regulatory environment that supports new ideas. I will not support a bill that takes us in the wrong direction.

For this reason, I return LD 820 unsigned and vetoed. I strongly urge the Legislature to sustain it.

The 128th Legislature of the State of Maine
State House
Augusta, ME

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 832, "Act to Carry Out the Will of the People of the State of Maine by Ensuring the Issuance of Bonds To Support the Independence of Maine's Seniors."

What LD 832 proposes is not simply to force the Executive to issue a handful of currently authorized, but unissued bonds. Rather, this bill is a complete overhaul of Maine's entire bonding process that would apply to "all general obligations bonds," both past and future. This is a major departure from our current bonding process that must be carefully considered.

When the Legislature wishes to borrow through a general obligation bond, the Maine State Constitution proscribes how this must be done: voters must be asked via a state-wide ballot if they would authorize the proposed borrowing. This is a process that must be followed scrupulously. Furthermore, federal tax law is overlaid on this entire process so these bonds may be properly registered by the Internal Revenue Service in order to enjoy tax-exempt status. In addition to these legal considerations, there are the practical considerations of the market--those entities that actually purchase the state's bonds.

Any departure from our current bonding process creates market uncertainties. Those who purchase our state's debt will have their own financial questions regarding the soundness of this new process. Market uncertainties only mean one thing: financial risk. That risk will be cured by increasing the cost of borrowing for the people of Maine.

Currently, the state does not issue bonds until the funds are needed. There are a host of reasons why that is the case, included among them are the Internal Revenue Service's arbitrage requirements. This bill, however, simply says that the Governor shall authorize the issuance of bonds. There is no consideration given to timing other than the very limited, enumerated exceptions set forth in this bill. Arbitrage requirements, however, do not appear in this list.

More concerning, however, are the constitutional infirmities this bill suffers. The first constitutional issue is the discreet problem caused by the retroactive application of this bill. LD 832 seeks to eliminate the Executive's discretion, completely altering the process of issuing bonds. What supporters of this bill fail to recognize is that currently authorized bonds themselves set forth the Executive's role in the issuance of those same bonds, a role that has received the approval of the voters. This bill seeks to alter that role retroactively via a simple legislative enactment--one that cannot withstand constitutional scrutiny.

It is a long-held principle that bonds cannot be amended without sending the amendment itself out to the voters. Simply put, already authorized bonds were approved by the voters and contain a process for issuance of those bonds that includes the Executive's exercise of discretion. That issuance process cannot be amended by a simple legislative enactment. The only way to alter a bond that has received the approval of the voters is to send the amendment itself to the voters. This bill does not do that and cannot amend already authorized bonds retroactively.

Most concerning, constitutionally, is this bill's impermissible exercise of Executive power by the Legislature. Under this proposal, the Executive would be stripped of all discretion related to the issuance of these bonds and, rather, the Governor would be commanded to issue bonds by the Legislature through the use of the word "shall." Five enumerated exceptions follow this blanket command, with the Treasurer, an agent of the Legislature, determining if three of these exceptions apply. The two other exceptions would be fact-specific occurrences outside of the discretion of the Executive. This legislative enactment, however, would be an impermissible exercise of the executive power by the Legislature by commandeering the Executive and ordering the Governor to act without discretion.

Those buying our debt expect the full faith and credit of state to stand behind these general obligation bonds, and only the Executive stands in a position to speak for the entire state-not a bicameral body comprised of 186 separate members. The Governor occupies a full-time position with constant access to information and the ability to execute on a decision, unlike Maine's part time Legislature that is adjourned for months at a time. The Executive is the only logical place where the authority to issue bonds should reside.

This bill, however, would constitute the Legislature exercising the Executive's discretion by dictating how and when the decision to issue bonds must take place. The doctrine of separation of powers, however, specifies that one branch of government cannot exercise the authority of another branch.

Clearly, this bill does not withstand constitutional scrutiny and cannot succeed in stripping the Executive of this authority. However, if allowed to go into law, this bill will certainly succeed in creating legal and market uncertainty for past and future bonds. This is nothing more than an unconstitutional power grab by one branch of government to use as a political bludgeon against another branch. Questions of separation of powers between branches of government can only be finally determined by our state's highest court. Until that determination, all general obligation bonds would proceed under a legal cloud.

For these reasons, I return LD 832 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

S/Paul R. LePage
Governor

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 297, "An Act To Improve the Administration of Election Recounts."

There are several provisions of this bill I believe will disenfranchise voters and candidates if they do not have the financial means to contest elections. I believe the law as it exists today is sufficient and that to change the law in the way this bill proposes would be detrimental to our system of government.

For these reasons, I return LD 297 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 457, "An Act to Repeal the Sunset Date on the Children's Guardian Ad Litem Law."

I am of the opinion that the Guardian Ad Litem Law should sunset. I understand there is still a need to have a better guardian ad litem system in our state. There is a tendency in the Legislature to pass a law, then to assume the problem is fixed. I believe that is what happened when the Legislature passed the Guardian Ad Litem Law. Because the system still needs to be fixed, I support the sunset of our current law so a new and serious debate can occur on what other options are available.

For this reason, I return LD 457 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 56, "An Act To Include 50ml and Smaller Liquor Bottles in the Laws Governing Returnable Containers."

I have several objections to this bill. The Legislature purports to care about how each dollar entrusted to the state is spent, yet this bill was exempted from scrutiny by the Appropriations and Financial Affairs Committee despite the cost for implementation that it imposes, which totals over \$1 million. I am troubled by the precedent this bill sets; it suggests that any time a legislator identifies a pet cause that needs funding, they should raid the state's liquor business. That type of thinking has gotten the state into financial trouble in the past, and it runs counter to the steps this Administration has taken to strengthen the liquor contract, which is now producing tens of millions of dollars more a year to fund state government and enable us to pay back the hospital debt. This bill takes us in the wrong direction.

If proponents of this bill are truly concerned about the litter caused by discarded 50ml bottles on the side of the road, they have two options: either increase penalties for discarding these bottles or discontinue sales of these bottles all together.

The case to increase the penalty for discarding 50ml alcohol bottles on the side of the road is clear. In speaking with members of the public and in law enforcement about this issue, they have informed me that 50ml containers on the side of the road often result from consumption inside a moving vehicle. Whether consumed by the driver or a passenger in a vehicle, in violation of Maine law, this is dangerous, illegal and unacceptable. The behavior is more egregious because the act of discarding the bottle out the window is merely an attempt to eliminate the evidence of the crime. I cannot condone this unlawful behavior, and I believe increased penalties are warranted.

Last week I vetoed LD 671, which sought to ease penalties on license suspension for people who have been caught driving while drunk. I am becoming concerned the Legislature does not take drunk driving seriously and is unwilling to protect the public from such reckless behavior. In this bill, the Legislature has once again failed to seek penalties for those creating the threat to public safety.

Absent increased penalties, which this bill failed to impose, an alternative approach is to discontinue the sale of 50ml bottles containing alcohol all together. If this bill passes, I have directed the Bureau of Alcoholic Beverages and Lottery Operations to work with the Liquor and Lottery Commission to delist these products for sale in Maine.

Rather than support this costly bill, which will not reduce drunk driving and does nothing to curb the destruction of evidence through littering, I return LD 56 to you unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

S/Paul R. LePage
Governor

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 1055, "An Act To Update the Statutes Under Which Maine's Credit Unions Are Chartered."

With their tax-exempt status, credit unions enjoy a significant competitive advantage over banks. This bill would expand that competitive advantage inappropriately by increasing the amount of total surplus a credit union may invest in real estate from 50 to 60 percent and by eliminating the requirement for a guaranty fund. I believe in a level playing field for economic competitors.

For this reason, I return LD 1055 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 917, "Resolve, To Require a Review of the State Employee and Teacher Retirement Plan."

I fully support the goals of the proposed review. We are overdue to reform Maine's retirement system to improve portability that allows greater movement for skilled employees into and out of jobs in state government and in our schools. The threat of penalties from the federal government by limiting eligibility for Social Security does not allow optimal recruitment and workforce mobility. With Maine's demographic challenges and labor shortage, now it is more important than ever to ensure we remove such barriers.

I cannot support this bill, however, as it is a directive without providing resources to get the job done. The Legislature recently authorized a similar review to that which is proposed in this bill. That review was completed, and sound recommendations were made; yet it was never acted upon. We already know what needs to be done, I call on the Legislature to take steps to implement it. This is not the time for another unfunded study—this is the time for action.

For these reasons, I return LD 917 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

S/Paul R. LePage
Governor

(2-27) The accompanying Resolve, To Require a Review of the State Employee and Teacher Retirement Plan (EMERGENCY)

H.P. 645 L.D. 917

Comes from the House with the **VETO OVERRIDDEN** and the Bill **PASSED TO BE ENACTED**, notwithstanding the objections of the Governor.
