S.C. 565

**STATE OF MAINE
OFFICE OF THE GOVERNOR
AUGUSTA, MAINE**

13 July 2017

The 128th Legislature of the State of Maine
State House
Augusta, ME

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 1573 “An Act to Encourage Development in the Logging Industry by Requiring State and Local Government Agencies to Give Preference to Lumber and Solid Wood Products Harvested in the State.”

It is with regret that I must veto this bill because I believe in the objectives it seeks to advance. Whenever possible, the state should take affirmative steps to support local businesses, including a close examination of the economic impact in Maine for contracts being awarded and, all things being competitive, awarding contracts to Maine businesses and contractors when it is possible to do so.

I strongly support Maine’s forest products economy, and I believe landowners – especially those who receive a tax benefit on the backs of other taxpayers – should use Maine contractors whenever possible. Further, I have been troubled by reports of some specific labor and trade practices, particularly at the northwestern border, and I believe we must support Mainers whose ability to earn a living is impacted by unfair international restrictions.

Unfortunately, this bill contains a provision that appears to violate the Maine Constitution. Article IX, Section 8, Subsection 2 prescribes in specific detail the minimum penalty that shall be imposed upon changing the use of land from a program such as Tree Growth. This bill would create an instance in which some landowners could withdraw their land from the Tree Growth program “without penalty.” While this might be a good idea, it is not permissible under the Maine Constitution, and I am not willing to allow a policy that is repugnant to the Constitution to become law. I would, however, support an amendment to the Constitution that would reduce or remove penalties, such as allowing landowners to move their land from the Tree Growth Program to the Open Space program without penalty.

When I was sworn in as Governor, I took an oath as to uphold the Constitution and the laws of this state and country. That oath precludes me from supporting this bill, despite its admirable policy objective. I would be happy to introduce similar legislation that does not violate Maine’s Constitution as a Governor’s bill in January, 2018.

For this reason, I return LD 1573 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

S/Paul R. LePage
Governor

The 128th Legislature of the State of Maine
State House
Augusta, ME

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 1504, "An Act to Modernize Rates for Small-scale Distributed Generation."

This bill is poor policy and as I have noted many times, net energy billing subsidizes the cost of solar panels at the expense of the elderly and poor who can least afford it. We need to move away from this unsustainable practice. Even the Natural Resource Council of Maine has acknowledged that net energy billing "is not a preferred long-term policy." However, rather than moving away from this practice to a more sustainable approach, LD 1504 instead sets net energy billing into statute in perpetuity.

In addition, the bill's language will result in the nonsensical outcome of net energy billing customers having their electricity usage stepped-down over time, rather than just their generation. Therefore, likely due to last-minute drafting of overlapping amendments, LD 1504 will result in the electricity bills of net energy billing customers being reduced even if they generate no electricity at all.

This bill represents bad policy and contains serious drafting errors that will result in irrational outcomes. For these reasons, I return LD 1504 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

S/Paul R. LePage
Governor

The 128th Legislature of the State of Maine
State House
Augusta, Maine

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 1567, "An Act To Amend the Archives and Records Management Law."

This bill, which was submitted by the Secretary of State, attempts to modernize the archives and records manage statute and the Archives Advisory Board. For decades the Governor has appointed members of the Archives Advisory Board. The bill eliminates the Governor's discretion to select and appoint board members and allows the Secretary of State to appoint members to the board.

This is simply another attempt to strip away the Governor's appointment power.

For these reasons, I return LD 1567 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

S/Paul R. LePage
Governor
