## UNIVERSITY OF MAINE SYSTEM ORONO, MAINE

February 1, 2020

Honorable Troy Jackson President of the Senate 3 State House Station Augusta, ME 04333

Honorable Sara Gideon Speaker of the House 2 State House Station Augusta, ME 04333

Dear Senate President Jackson and Speaker Gideon:

Pursuant to 5 M.R.S.A., Section 12023, please consider this the letter of transmittal for the required Quasi-Independent State Entity Review Report from the University of Maine System due by February 1, 2020.

The UMS has an estimated \$1.5 billion annual total statewide economic impact and increasingly is investing in Maine's economy, with \$54.7 million in goods and services purchased from businesses that are based in Maine or that employ Mainers in FY19.

While competitive procurement is the UMS standard, as provided in State law and corresponding System policy, there are legitimate reasons for waiving competitive procurement in some circumstances. For example, a majority of the expenses for which waivers from our competitive procurement process were granted in FY19 involved the purchase of goods and services that were specifically named in a federal research grant and that were not funded with State dollars. Overall, the value of UMS procurements for which waivers from the competitive process were granted was down 3.75 percent in FY19 from the fiscal year prior.

In an effort to increase transparency and public accountability, the UMS sole source report now includes a description of each relevant transaction and our Board of Trustees reviews this report prior to its submission to the Legislature.

Sincerely,

S/Dannel P. Malloy, Chancellor University of Maine System
