\* FY24/FY25 Revenue Loss Estimates are from the Maine State Tax Expenditure Report (MSTER) with the exception of the Dirigo Business Incentives Tax Program which come from a fiscal note.

\*\*A limited scope design review of the Major Business Headquarters Expansion was conducted following enactment of the program.

\*The estimate is net of the transfer of TANF funds that partially offsets the General Fund loss. Without this transfer, the General Fund revenue loss would be approximately C37 million in FY24 and \$52.8 million in FY25.
