APPROPRIATIONS AND FINANCIAL AFFAIRS**

Room 228 State House

GENERAL INFORMATION

The Appropriations Committee will continue to take votes on the remaining Part initiatives using the “un-voted” spreadsheets which are posted on the same page as the report-back. The document containing unvoted initiatives and language parts under the jurisdiction of the HHS Committee is the “Version #2”. Regarding Language Parts: the Committee Chair or member making the motion will specify the Part and, in some cases, the Section to be voted.

The Committee is in possession of over thirty General Obligation Bond bills. Hearings on these bills will likely be scheduled for the week after the Committee has taken a final vote on the Biennial Budget. A detailed bond bill hearing schedule will be promulgated and posted when the dates are more certain.

PLEASE NOTE: The Committee will likely continue to break for caucus during, or in lieu of, scheduled budget work sessions.
