

**JOINT STANDING COMMITTEE ON
APPROPRIATIONS AND FINANCIAL AFFAIRS
Room 228 State House**

DRAFT AGENDAS: April 16th through April 18th

General Information

All Policy Committees have submitted report-backs though some committees will be submitting additional reports on previously tabled initiatives or other recommendations. All reports received thus far have been posted on the Appropriations Committee's Materials Page: <http://legislature.maine.gov/ofpr/129th-afa-committee-information/9599>.

At this stage of the Biennial Budget process, the AFA votes are considered by the committee to be preliminary or "straw" votes as they work through the proposed initiatives to create their amendment. The votes are not posted on the Committee's website so as to not give them more permanency than is warranted or be perceived as an official subset of the Amendment to be reported out to the full Legislature. The Chairs understand the difficulties this can cause and appreciate your understanding.
