The position began on August 25, 2018 and ends on August 24, 2019. This position serves as the Literacy Specialist for a kindergarten through grade three literacy initiative across the state. This position continues the current training for and evaluation of the 9 participating school districts through August 2019, coordinates all project activities, develops guidance and provides technical assistance, and provides on-site literacy coaching in participating schools. The goal of the initiative is to increase the literacy abilities of students in kindergarten through grade three in an effort to increase the number of students reading proficiently on the third grade reading assessment. This position will be funded with a transfer from All Other to Personal Services. Funds are no longer required in All Other for the purpose for which they were originally intended because fewer contracted services will be needed than originally budgeted.
