MEMORANDUM

TO: Senator Catherine Breen, Senate Chair
Representative Drew Gattine, House Chair
Joint Standing Committee on Appropriations and Financial Affairs

FROM: Senator Geoffrey M. Gratwick, Senate Chair
Representative Patricia Hymanson, House Chair
Joint Standing Committee on Health and Human Services

DATE: March 3, 2020

SUBJECT: LD 2126: An Act Making Supplemental Appropriations and Allocations for the Expenditures of State Government, General Fund and Other Funds and Changing Certain Provisions of the Law Necessary to the Proper Operations of State Government for the Fiscal Years Ending June 30, 2020 and June 30, 2021

The Health and Human Services Committee is pleased to provide its recommendations on LD 2126, the supplemental budget bill. Committee votes are contained in the attached spreadsheets.

In addition to the initiatives proposed in the supplemental budget, a majority of the Committee voted to include an initiative that would amend Title 22, section 14, subsection 2-I, paragraph A relating to the estate recovery initiatives in Lines 39-40 of the Green document. This language would be consistent with the amended language in LD 1954, An Act to Amend the Laws Governing Estate Recovery Under the MaineCare Program. We will submit the amendment on LD 1954 to you when it is completed.

Committee members are prepared to discuss this report with you. Thank you for your consideration.
