8 SECOND SPECIAL SESSION

9 COMMITTEE AMENDMENT " " to H.P. 609, L.D. 835, Bill, "An Act To
10 Increase Funding for Case Managers for Veterans"

11 Amend the bill by striking out the title and substituting the following:

12 **'Resolve, To Extend the Pilot Program for Providing Mental Health Case**
13 **Management Services to Veterans'**

14 Amend the bill by striking out everything after the title and inserting the following:

15 **'Emergency preamble. Whereas,** acts and resolves of the Legislature do not
16 become effective until 90 days after adjournment unless enacted as emergencies; and

17 **Whereas,** this legislation extends a crucial and highly successful pilot program that
18 provides coordinated mental health care and case management services to veterans; and

19 **Whereas,** one of the 2 regional contracts for providing these services is scheduled to
20 expire on July 1, 2020, which will likely occur before the 90-day period expires; and

21 **Whereas,** in the judgment of the Legislature, these facts create an emergency within
22 the meaning of the Constitution of Maine and require the following legislation as
23 immediately necessary for the preservation of the public peace, health and safety; now,
24 therefore, be it

25 **Sec. 1. Resolve 2017, c. 24, Pt. B, §1, amended. Resolved:** That Resolve
26 2017, c. 24, Pt. B, §1 is amended to read:

27 **Sec. B-1. Commissioner of Health and Human Services to establish pilot**
28 **program to provide mental health case management services to veterans.**

29 **Resolved:** That, beginning January 1, 2018, the Commissioner of Health and Human
30 Services, referred to in this Part as "the commissioner," shall establish a pilot program to
31 provide contracted case management services to provide necessary mental health
32 treatment to veterans who are residents of the State. Case management services must
33 include assisting veterans in gaining a range of mental and behavioral health services,
34 which must include inpatient mental health care services. In establishing the pilot

1 program, the commissioner shall consult with the Director of the Maine Bureau of Maine
 2 Veterans' Services within the Department of Defense, Veterans and Emergency
 3 Management, referred to in this Part as "the director," to identify regions where case
 4 management services are most needed and to identify veterans seeking case management
 5 services who are enrolled with the United States Department of Veterans Affairs and
 6 those who would likely be eligible to be enrolled. The pilot program described in this
 7 section must continue until January 1, 2020 June 30, 2021 or until the funds provided in
 8 Part C are exhausted.

9 1. The commissioner, with the assistance of the director, shall seek to coordinate
 10 services with the United States Department of Veterans Affairs and state agencies that
 11 offer mental health care services or provide assistance to veterans.

Add Northern Maine provider *

12 2. The commissioner may enter into regional contracts, including a contract with a
 13 provider that has experience providing services in northern Maine, for the purpose of
 14 ensuring a statewide network of case management that provides coordinated mental
 15 health care services for Maine veterans, including, but not limited to, inpatient treatment
 16 as clinically required.

Current projects:
1 Eastseals Maine
2 Health Affiliates Maine

17 3. The commissioner, with the assistance of the director, shall establish criteria to
 18 determine eligibility for case management services to be provided in accordance with this
 19 section. A veteran who has received a mental health diagnosis or mental health disability
 20 rating from the United States Department of Veterans Affairs must be considered eligible
 21 for case management services. A veteran who is not enrolled with the United States
 22 Department of Veterans Affairs who is determined to require mental health care services
 23 by a licensed mental health professional may be considered eligible for case management
 24 and other behavioral health services based on the individual needs of the veteran.

25 4. The director shall work to assist veterans receiving case management services
 26 under the pilot program who are not enrolled with the United States Department of
 27 Veterans Affairs to determine eligibility and to assist with those veterans' enrollment and
 28 with filing claims to the United States Department of Veterans Affairs.

29 5. Case management and mental health professionals selected to participate in the
 30 pilot program must demonstrate military and veteran cultural competency.

31 6. An individual who served in the United States Armed Forces and meets the
 32 federal definition of veteran or who has served or is currently serving in the Maine Army
 33 National Guard or Air National Guard or the Reserves of the United States Armed Forces
 34 is eligible. Character of discharge is not a disqualifying eligibility criterion.
