Re: Criminal Justice and Public Safety Committee Report on LD 42, An Act Making Certain Supplemental Appropriations and Allocations and Changing Certain Provisions of the Law Necessary to the Proper Operations of State Government

Thank you for the opportunity to report to the Appropriations and Financial Affairs Committee the votes of the Criminal Justice and Public Safety Committee on LD 42, An Act Making Certain Supplemental Appropriations and Allocations and Changing Certain Provisions of the Law Necessary to the Proper Operations of State Government.

We are pleased to report that among the Criminal Justice and Public Safety Committee members in attendance, most of the votes were unanimous. There was discussion from some of the members regarding their concerns of using coronavirus funds to continue the incarceration of youth. Additionally, one member was concerned about using coronavirus funds in general – you see that reflected in each vote regarding the COVID-19 funds. Copies of the voting sheets are attached.
