

# Solar status update

Governor's Energy Office

May 18, 2021

# Level 4 interconnection queues

**Total megawatts eligible for net energy billing by interconnection request date  
(total 2498 MW)**

Central Maine Power queue updated 5/13/2021. Versant Power queue updated 5/14/2021.

# Net energy billing subcommittee

**Table 1. Active/Pending projects with NEB agreements as of 4/30/21**

	MW
<b>Central Maine Power</b>	1,157
Active Operational	91
Active Not Operational	937
Pending	129
<b>Versant Power</b>	299
Active Operational	18
Active Not Operational	239
Pending	42
<b>Grand Total</b>	1,456

**Table 2 Active Projects with NEB agreements as of 4/30/21**

	MW
<b>Central Maine Power</b>	
Active Not Operational	937
<b>Versant Power</b>	
Active Not Operational	239
<b>Grand Total</b>	1,176

**Table 3. Projects with NEB agreements as of 12/31/2020**

Utility	MW
<b>Central Maine Power</b>	
Active Not Operational	866
<b>Versant Power</b>	
Active Not Operational	185
<b>Total</b>	1,051

# Net energy billing subcommittee

- Many of the projects included in Table 3 are included in cluster studies, meaning they will not receive permission to operate under the ISO-New England tariff (i.3.9) until the applicable utility has completed additional study to determine any potential adverse impacts from a given cluster of generators on the transmission system.
- Restricting the population of projects to those that have received authorization to operate under i.3.9 yields the capacity shown in Table 4.

Table 4 – Projects with NEB agreements as of 12/31/2020 and i.3.9

Utility	MW
<b>Central Maine Power</b>	
Active Not Operational	461
<b>Versant Power</b>	
Active Not Operational	178
<b>Total</b>	<b>639</b>

# Net energy billing subcommittee

Table 5 shows all projects with NEB agreements as of April 19 and i.3.9 permission expected by the end of this month.

Table 5 – Projects with NEB agreements as of 4/19/21 and i.3.9

Utility	MW
<b>Central Maine Power</b>	
Active Not Operational	478
<b>Versant Power</b>	
Active Not Operational	194
<b>Total</b>	<b>671</b>
