Hello Ms. Halvorsen,

Thank you so much for letting me know! What amazing news. I appreciate how efficient this process has been. It certainly is different from other states and I really wanted to say thank you for the ease at which this licensing process has been.

Have a wonderful summer as well!

Good morning, Mr. Turner,

I received email regarding my license approval this morning and immediately wanted to send an email thanking you & the Board for your high level of professionalism, organization, and response.

From your perspective it was perhaps business as usual. But I'm honestly in near disbelief at the efficiency, respect, and proactive nature of your work compared to what I've experienced over a decade of another state board's processes. It's night and day.

Thank you sincerely for the work that you do to support us as behavioral healthcare professionals and thus the wellbeing of the people of your state.

Kristina,

I am working on the application now, but I just wanted to tell you what a difference you made by helping me this morning.

The few minutes on the phone with you and your offer to assist me when I am feeling so overwhelmed has made a significant difference

and lowered my stress level more than you could ever realize.

People like you make a a big positive difference in the world.

Good morning Rion,

I was late to arrive at my office this morning - but what good news to find this email!
I cannot thank you enough for taking my case/journey to heart and being a trusted contact person during a time that it was extremely hard to reach anyone in any bureaucratic system/agency. You have been a life saver. I am deeply grateful.

I hope your next chapter is one that feels interesting and rewarding to you.
I'm sure that whatever you will be doing next, you will be successful and appreciated - you bring a care and humanity to your work that truly makes a difference.

Should I have further questions regarding rules, ethics, or anything else connected with my license as I get my practice started, who should I turn to within your organization if my supervisor doesn't have all the answers? Or should I reach out to the Maine Counseling Association you put me in touch with?

Thank you again and take good care,
