**RE: 2021 Report of the Workers' Compensation Board Pursuant to 5 M.R.S.A.
§ 12023(2)**

Dear Speaker Fecteau and President Jackson:

On behalf of the Workers' Compensation Board ("Board") I am submitting this annual report of procurements in 2020 pursuant to 5 M.R.S.A. § 12023 (2).

I. Introduction

Although technically a quasi-independent agency, the Board has, since its inception in 1993, adhered to the procurement and expense reimbursement policies of the Department of Administrative and Financial Services ("DAFS"). After the enactment of Title 5, Ch. 379, subchapter 3 (5 MRSA §§ 12021-12024), the Board decided to continue working under the oversight of DAFS. Adhering to those policies was the most efficient and effective way for the Board to operate. In response to the Labor and Housing Committee's March 16, 2020 report of the Board's procurement and reimbursement policies pursuant to 5 MRSA §12023(3), the Board adopted written policies and procedures governing travel-related costs. Those procedures and policies are set forth at the end of this report. Below is a description of the board's expenditures that fall into the reporting categories mandated by §12023 (2).

II. Procurements (5 M.R.S.A. §12022 (2) (A))

With respect to procurements in excess of \$10,000 for which competitive bidding was waived, the Board continues to adhere to the comprehensive bidding procedures established by the Division of Procurement Services. Included within these procedures is a requirement that the Board request approval for all contract requests and sole source solicitations exceeding \$5,000. Beginning in February 2020, the Division of Procurement replaced the Waiver of Competitive Bidding form with the Procurement Justification form. Approval by the Division of Procurement

Services must be received before the Board can enter into a contract that is not the result of the competitive bidding process.

The following table outlines procurements exceeding \$10,000 in the preceding year for which competitive procurement was waived. The Division of Purchases, Department of Financial & Administrative Services approved the Board's Waiver of Competitive Bid requests for these purchases.

Vendor	Justification for Waiver of Competitive Bidding	Dollar Amount of Procurement
West Publishing RELX Inc. dba LexisNexis Matthew Bender & Co. dba LexisNexis Matthew Bender (Larson's Workers' Compensation Law treatise)	The Board's staff is required by statute to mediate disputes, hear administrative law cases, write orders and/or provide legal advice and representation to individuals in the workers' compensation system. Board staff uses West Publishing's Maine Revised Statutes Annotated, RELX Inc.'s LexisNexis online library and Matthew Bender & Co.'s authoritative treatise, <i>Larson's Workers' Compensation Law</i> , to perform legal research, write trial and appellate briefs, author administrative law decrees and accomplish other work necessary to perform required duties. Board staff has determined these publications are necessary to provide up-to-date legal analysis, opinions and decisions. Also, Board staff has not found a source for references available in state government or other governmental entities.	Each of these subscription services was procured at a cost that exceeded \$10,000. The cost of each procurement was: The cost of procuring the subscription service from West Publishing Corp. was \$50,249.00 The cost of procuring the subscription service from RELX Inc. dba LexisNexis was \$10,428.00. The cost of procuring the subscription service from Matthew Bender & Co. dba LexisNexis Matthew Bender was \$35,640.27.
