

LD 1334 (Film reimbursement and film credit) concerns:

- § 36 M.R.S. § 6901, sub-§ 2 should also be amended to reflect the increased limitation on the amount of wages that qualify for the wage reimbursement.
- MRS suggests that Section 8 of the bill be amended to apply to productions certified during tax years beginning on or after January 1, 2022 to prevent separate credit amounts/limitations for productions certified during the tax year.
- As proposed, there is no limit on the amount of the refundable credit.

Thank you,
Heather
