This message originates from outside the Maine Legislature.

Hi Steve,

The Board operates under the purview of the Division of Purchases with respect to selection of vendors. (Those policies can be found [here](#).)

The Board operates under the purview of the Office of the State Controller with respect to travel meals and entertainment. (The State Administrative & Accounting manual, found [here](#).) The additional policies required by Chapter 10 (and adopted by the Board) are included in the body of this year's report.

The Board budgets and tracks travel related expenses pursuant to its authority under [39-A M.R.S.A. section 152\(13\)](#).

Let me know if you need anything else.

Best,
John

Hi,

Would you mind providing me with a copy of your policies adopted pursuant to 5 MRSA chapter 379, subchapter 3, if applicable? I know it's not required to submit them for the report (funny enough) but I can't seem to locate them on my hard drives here. I think the Committee will want them.

Thank you,

Steve

Good afternoon,

The LBHS Committee intends to take up the quasi-independent state entity reviews at 10 a.m. Monday, Feb. 28. I intentionally made the PHs start at 10:15 a.m. for this reason – so the waiting will hopefully be much less painful than on Feb. 14.
