ORDERED,

That the State Controller increase allotment in account 025-15A-0214-34, ARPA-MAINE EMERGENCY MANAGEMENT AGENCY by \$993,233 in the All Other line category for the purpose of allotting additional revenue from the supplemental Emergency Management Performance Grant (EMPG) Program under the American Rescue Plan Act (ARPA) to provide grants to counties; and,

Be it further ordered,

that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2022", for which this shall be our sufficient warrant.

Statement of Fact

This financial order provides the necessary allotment in account 025-15A-021434, ARPA-MAINE EMERGENCY MANAGEMENT AGENCY to fund emergency preparedness grants to subrecipients from the supplemental Emergency Management Performance Grant (EMPG) Program under the American Rescue Plan Act (ARPA). This provides funding to counties for replacement of existing inoperable generators and/or generators that are insufficient for powering a critical facility. Funds can also be utilized for the purchase of new generators at critical facilities that do not currently possess the ability to mitigate prolonged power outages. These funds were awarded by the Federal Emergency Management Agency with 50% local match by qualified subrecipient counties. Failure to provide this allotment will prevent preparedness costs at the county level to be paid with this funding.
