RE: Priorities for bills on or anticipated to be on the Appropriations Table

Pursuant to Joint Rule 314(7), we are reporting our committee's priorities for final passage of bills reported out of our committee that are now on, or anticipated to be on, the Appropriations Table. Attached are the responses from those committee members who submitted a ballot indicating how they voted on the priority recommendations. During the committee's discussion on Friday April 1st of bills on the table, or anticipated to be on the table, the committee indicated that its top priorities, in no particular order, were the following, both unanimous reports of the committee:

- LD 1652, *An Act To Build a Child Care System by Recruiting and Retaining Maine's Early Childhood Educators Workforce*
- LD 1885, *An Act To Increase Maine's Veterinary Workforce*

Thank you for your consideration of the Innovation, Development, Economic Advancement and Business committee's priorities.

Hi,

You didn't rank LD 110. Was that intentional? There are 7 bills (if you exclude the ones in green and blue), so I just wanted to check.

Thanks,
Rachel

Sorry, Rachel. It wasn't intentional. Can you rank that 7 and push LD 1978 to 8?

Hi Representative LaRochelle,

You didn't rank LD 110, which is a carryover from last year that is currently on the table. Was that intentional?

Thank you,

Subject: Ballot and information - IDEA Table Priorities

Good afternoon,

As we discussed today, the AFA Committee has requested that each joint standing committee submit their committee's priority list no later than close of business on Monday, April 4th. The joint rules require that the committee's list of priorities include how each committee member voted.

During today's meeting we reviewed the bills carried over, currently placed, or anticipated to be placed on the special appropriations table. As noted on the attached ballot, the LDs in green have received funding in the amounts or in excess of
