Thanks Janet,

I obviously didn't read your notes, just wanted to get the form back. Please take out what is irrelevant and move everything else up.

Thank you,

Senator Miramant,

Are you sure you want to rank LD 148, which has already been enacted and funded in the biennial budget last year?

Hi Again,

Thanks for the feedback. You did include that info Janet, I think it's my cynicism that nothing is in stone. However, you're right and I've removed LD 148 as already taken care of.

Thank you!
