2. It waives the requirements of current law that the design of the specialty plate be submitted by September 1st to the Secretary of State and that the Secretary of State then submit the authorizing legislation with respect to the specialty plate;
3. It removes the legislative members from the We Support Our Troops Advisory Board, adds 2 more public members to the board, establishes terms for the members of the board and provides for the filling of vacancies;
4. It removes provisions allowing persons to purchase the plates without registering a vehicle;
5. It modifies how fees raised by the plate are administratively handled;
6. It removes a provision providing for copyrighting the plate design;
7. It adds provisions relating to the issuance of vanity plates, number sequencing and weight limits on vehicles eligible for the plates;
