SUMMARY

This bill reduces the income tax burden on Maine residents by:

1. Reducing the top individual income tax rate from 8.5% to 7.8%; and
2. Increasing the low-income tax credit from \$2,000 to \$4,000 for individuals, married individuals filing separately and heads of households and to \$8,000 for married persons and surviving spouses filing joint returns.

This bill offsets the loss of income tax revenue by increasing the rate of the sales tax imposed on prepared food from 7% to 9% and on short-term lodging from 7% to 10%.
