SUMMARY

This amendment removes the General Fund appropriation of $15,000 in fiscal year 2007-08. It also provides a one-time Other Special Revenue Funds allocation to the financial literacy program within the Office of the Treasurer of State of $15,000 for fiscal year 2007-08 to establish an account and to allow it to receive one-time funds transferred from the unobligated balances of the Office of Consumer Credit Regulation. This allocation will fund the additional costs associated with hosting a statewide seminar on teaching financial literacy to public school students, including speakers, materials and food.
