An Act To Establish a Pricing Formula for Liquor Sales and To Adjust Agent Discounts

CONCEPT DRAFT SUMMARY

This bill is a concept draft pursuant to Joint Rule 208.

This bill proposes to establish a pricing formula for liquor sales and to adjust agent discounts. The pricing formula should promote transparency, enhance market predictability, promote fairness and increase Maine's competitiveness with neighboring states. Agent discounts should increase incrementally, be funded through increased revenues and other sources and be revenue-neutral to the State.
