SUMMARY

This amendment provides that organizations may conduct games of chance without a license unless they collect more than \$30,000 in entry fees, chances or wagers in a calendar year. An unlicensed game of chance would be limited to \$10,000 in entry fees, chances or wagers at any one event. An organization conducting a game of chance without a license must still register its name and tax identification number and the time, date and location of the event. The registration fee is \$30.
