Amend the bill by inserting after section 1 the following:

‘**Sec. 2. 29-A MRSA §2503, sub-§2, ¶C,** as enacted by PL 1993, c. 683, Pt. A, §2 and affected by Pt. B, §5, is amended to read:

C. Has not completed the alcohol and drug program by the end of the statutory suspension period if the suspension was for an OUI offense or pursuant to section 2453 or section 2472, subsection 3, paragraph B.’

### SUMMARY

This amendment, which is the minority report of the Joint Standing Committee on Transportation, corrects a technical problem created by the bill. It provides that a juvenile who receives a work-restricted license after license suspension for a moving violation that does not relate to operating a motor vehicle while under the influence of intoxicants is not required to complete an alcohol and drug program during the period of the statutory suspension.
