Resolve, Requiring the State To Use Valid Risk and Preventive Factors for Youth Programs

Sec. 1 Biannual survey of students. Resolved: That the State shall, in its biannual survey of students, use a survey of students in grades 6 to 12 that reliably and validly measures those risk and protective factors shown by research to predict adolescent health and behavior problems, including substance abuse and delinquency.

SUMMARY

This resolve requires the State, in its biannual survey of students, to use a survey of students in grades 6 to 12 that reliably and validly measures those risk and protective factors shown by research to predict adolescent health and behavior problems, including substance abuse and delinquency.
