Amend the bill by inserting after the title and before the enacting clause the following:

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, many properties in the State are either erroneously placed in or excluded from maps of flood hazard areas due to floodplain mapping inaccuracies; and

Whereas, the State has collaborated with other states to submit a grant proposal to the United States Geological Survey to acquire light detection and ranging elevation data and the State is awaiting final approval of the grant funding; and

Whereas, the grant proposal addresses a very small percentage of the data needed for improved floodplain mapping; and

Whereas, private funding sources are currently available to contribute toward floodplain mapping in the State; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,'
