

125th MAINE LEGISLATURE

LD 180

LR 352(01)

Resolve, To Change Rules Concerning Landfill Gas and Odor Management from Routine Technical Rules to Major Substantive Rules

Preliminary Fiscal Impact Statement for Original Bill

Sponsor: Rep. Ayotte of Caswell

Committee: Environment and Natural Resources

Fiscal Note Required: Yes

Preliminary Fiscal Impact Statement

Minor cost increase - Other Special Revenue Funds

Fiscal Detail and Notes

Designating the rules governing the management of landfill gas and odors at solid waste facilities as major substantive rules and not routine technical rules will require the Department of Environmental Protection (DEP) to assemble and submit rulemaking materials to the Legislature for review and will require DEP officials to be available for testimony to the Legislature, resulting in minor additional costs which can absorb within existing budgeted resources.
