LR 684(01)

An Act To Allow the Removal of Gravel Bars in the Sandy River

Preliminary Fiscal Impact Statement for Original Bill

Sponsor: Rep. Black of Wilton

Committee: Environment and Natural Resources

Fiscal Note Required: No

Preliminary Fiscal Impact Statement

Minor revenue decrease - Other Special Revenue Funds

Fiscal Detail and Notes

Allowing the removal or displacement of point gravel bars from the Sandy River in the Town of Farmington without a Natural Resources Protection Act permit from the Department of Environmental Protection (DEP) may result in a slight revenue decrease to the DEP in the form of reduced permit application fees.
