

# 125th MAINE LEGISLATURE

LD 1721

LR 2429(02)

## An Act To Improve the Method of Classifying Shellfish Harvesting Areas and Providing Notification of Changes

**Fiscal Note for Bill as Amended by Committee Amendment " "**

**Committee: Marine Resources**

**Fiscal Note Required: Yes**

---

---

### Fiscal Note

Minor savings - General Fund

#### Fiscal Detail and Notes

This legislation changes the method of managing contaminated or polluted shellfish resource areas from emergency rulemaking to a classification through text descriptions and maps provided on the department's website and to affected municipalities and marine patrol officers. It will result in savings in staff time and will allow personnel within the shellfish program to focus on other priorities.
