Fiscal Detail and Notes

This fiscal note reflects the incremental impact of the amendment. The amendment adds an initial appropriation of \$50,000 in fiscal year 2014-15 with an ongoing cost of \$200,000 for the State-funded Foster Care/Adoption Assistance program in the Department of Health and Human Services for a transitional grant program for individuals exiting the State's foster care system at age 21 years old and actively pursuing post-secondary education. This assumes an annual grant cost of \$5,000 per child and initially 20 grants awarded in the first year with an effective start date on January 1, 2015. The amendment also adds a one-time deappropriation of \$50,000 in fiscal year 2014-15 in the State-funded Foster Care/Adoption Assistance program resulting from program savings. The amendment further assumes the department will be able to secure a post-secondary education navigator at little or no cost to the department.
