Fiscal Detail and Notes

This bill removes language that prohibits the Office of the Public Advocate (OPA) from intervening in any proceedings in which the Public Utilities Commission is representing a position substantially similar to that of the Public Advocate. This removal allows the OPA to participate in additional proceedings. The bill includes annual allocations for the Public Advocate Regulatory Fund of \$75,624 beginning in fiscal year 2019-20 to fund additional staff activities related to the proceedings.

Because the OPA is funded by an assessment set to produce sufficient revenue for the expenditures allocated by the Legislature for operating the OPA, any increased allocations require a corresponding increase in revenue to the Public Advocate Regulatory Fund from the assessment on the intrastate gross operating revenues of utility and qualified telecommunications providers.
