Fiscal Detail and Notes

This resolve requires that the Public Utilities Commission evaluate and report back on the proposal to create the Maine Power Delivery Authority as presented in LD 1646, An Act to Restore Local Ownership and Control of Maine's Power Delivery System. This resolve includes a one-time allocation of \$500,000 to the PUC Reimbursement Fund to allow expenditures related to the cost of the evaluation. The PUC Reimbursement Fund has sufficient cash available to fund the additional allocation.
