## Preliminary Fiscal Impact Statement

### Legislative Cost/Study

#### Legislative Cost/Study

The bill requires a majority vote of the Legislature to approve a multistate compact before the State or a state agency can join, adopt or implement a multistate compact. The Legislature's baseline budget for 2022-2023 includes funds for the Legislature to meet in special session on 2 days each fiscal year following the applicable statutory deadline. Whether or not there are sufficient funds to cover the cost of holding a special session for this purpose will depend on the number of times the Legislature is required to convene in special session during the interim.
