Fiscal Detail and Notes

This bill includes a one-time General Fund appropriation of \$50,000 in fiscal year 2023-24 to the Housing Opportunity Program within the Department of Economic and Community Development for the cost of a consultant to support the work of a stakeholder group established to study methods and develop model policy to encourage the development and construction of accessory dwelling units.

Additional costs to the Governor's Office of Policy Innovation and the Future and the Maine State Housing Authority associated with participating in a stakeholder group regarding accessory dwelling units can be absorbed within existing budgeted resources.
