5 The Department of Conservation shall pursue exhaustively all opportunities to
6 negotiate an agreement with landowners by participating in any process by which an
7 agreement might reasonably be solicited and obtained.

8 **SUMMARY**

9 For the purpose of providing public access, this bill authorizes the Department of
10 Conservation, Bureau of Parks and Lands to repair and maintain, or cause to be repaired
11 and maintained, a private road, private way or bridge to provide motor vehicle access to
12 nonreserved public lands, public reserved lands or private lands on which an easement
13 guaranteeing public access for recreational uses is held. The bill also directs the
14 Department of Conservation to negotiate an agreement with owners of land along an
15 approximately 13-mile section of Northern Road in Somerset County for the purpose of
16 providing year-round motor vehicle access to public lands in the Seboomook Lake region
17 and to historic Pittston Farm, which is on the National Register of Historic Places.
